

## FUELING THE CURE ONE STOP AT A TIME

Centerra Co-op supports the Stefanie Spielman Fund for Breast Cancer Research at the Ohio State University Comprehensive Care Center Institute.

Look for our Fueling the Cure propane delivery truck. For each delivery stop, we donate \$1.00 to the Stefanie Spielman Fund for Breast Cancer Research.

**Will you match us and donate \$1.00 every time we bring you propane?**

Learn more about the campaign contact our propane department at 888-738-7678.

Every year in August Centerra hosts a Fueling the Cure Golf Outing at Hawk's Nest Golf Course in Creston. If you are interested in participating in and/or sponsoring this event contact Bill Rohrbough at 419/207-2160.

With your help, we raised over \$40,000 for cancer research last year.

Choose your tax deductible contribution:

Donate \$1.00 everytime we stop at your residence.

Specify your donation as fixed amount \_\_\_\_\_

Payment Options:

Bill my account.
