

## Sommer's Blends

### Economy

A great year-round economical blend that will attract a variety of birds to the feeder.

Contains 10% Sunflower, 10% sunflower, white millet, cracked corn, milo, wheat and grit.

### Choice

Designed as an all-purpose blend, it contains 20% sunflower to attract even a larger variety of birds than the Economy blend. 20% Sunflower, white millet, cracked corn, milo, wheat and grit.

### Deluxe with Fruit

Our most popular blend. It contains cherries, cranberries, and cherry flavoring. It has 30% sunflower along with safflower and peanut pieces, providing much needed energy for a wide variety of birds.

30% Sunflower, safflower, peanut pieces, white millet, milo, grit, cherries and cranberries.

### Premium Classic

This blend was created for the most avid bird feeding enthusiast. It will attract most species of song birds. It contains 50% sunflower, safflower, peanut pieces, red and white millet, along with a raspberry flavoring. 50% sunflower, safflower, peanut pieces, red and white millet, plus a raspberry flavoring.

Available in various sizes from 5#-50#

## Sommer's Specialty Blends

**NO MESS:** A convenient waste free blend of hulled seeds, high in protein and fat. This product will leave no mess under feeders. Perfect for porches and patios.

sunflower chips, hulled millet and peanut pieces.

**SHELL FREE FRUIT & NUT:** A premium waste free blend of hulled seeds with cherries, cranberries, raisins and cherry flavoring. Terrific for porch and patios, leaves no mess behind. Sunflower chips, peanut pieces, tree-nuts, cherries, raisins, cranberries and cherry flavoring.

**WOODPECKER:** A nutty mix ideal for attracting many types of woodpeckers along with nuthatches, wrens, chickadees and other nut loving birds. Tree-nuts, sunflower chips, peanut pieces, raisins, pumpkin seeds and cracked corn.

**CRITTER SNACK:** A blend created for squirrels and other wild critters. Feeding these animals separately from the birds will help keep them away from bird feeders. Shelled corn, sunflower, whole peanuts in the shell, peanut pieces.

**NORTH COAST CARDINAL:** A high quality blend of cardinal favorites, sunflower chips, safflower, and black oil sunflower. Chickadees, Nuthatches, Titmice also love this mix. Sunflower chips, safflower, black oil sunflower (placed under photo of seed blend)

**DELUXE FINCH:** A blend attracting varieties of Finch and more economical than Nyjer. It contains seeds roughly the same size as Nyjer to also be used in Finch specific feeders. Nyjer, fine sunflower chips, canary seed, german millet and canola seed.

Available in various sizes from 5#-50#

Nyjer® is a registered trademark of the Wild Bird Feeding Industry.
