

**CENTERRA**  
CO-OP

# Patron Scholarship

Centerra Co-op will award scholarships to our Patron's dependents to work on their baccalaureate, associate or technical degree as a full time student. This program has been established to assist agricultural producers who support the cooperative. Each recipient is eligible for the scholarship only once. No family will receive more than one scholarship in a four year period. Criteria for the award is based on academic achievement and extra curricular activities, financial need, and patronage with Centerra Co-op. Selection process is determined by a committee appointed by the Board of Directors of Centerra. Immediate members of both employee and Director's families are not eligible. Award to be paid after completion of the school semester/quarter.

All interested applicants need to complete the information requested below and return by **August 1st** to:
