In 2010, Centerra Co-op, Inc. joined "Fueling the Cure", which was formed by a small group of agricultural co-ops in western Ohio, with the goal of raising funds through our propane businesses for the Stefanie Spielman Endowment at the OSU James Medical Center. Many of us have been touched in one way or another by breast cancer and through research efforts, like those being done at OSU's Comprehensive Cancer Center, there is real hope that a cure can be found. Proceeds from this golf outing will go to the Stefanie Spielman Endowment and the Cooperatives For The Cure Endowment at the OSU James Cancer Hospital. Please join us for a great cause and a day of fun and relaxation.
